STEP 1: Circle the units that interest you...

Descriptions of units and further information can be found online at <u>https://my.brauer.vic.edu.au/cds</u>

PLP Unit Selection Guidelines

STEP 2: Make sure your units meet the requirements...

What are the minimum requirements for going into Year 10 next year?

You must choose 12 units in total.

You will be placed in Maths and English units and must choose 1 Science unit **.

If eligible, you must choose a 'Major Study', either a VCE Unit 1/2 sequence or a full year VET option. If you are not eligible and wish to study a VCE Unit 1/2 subject you must complete the "VCE Unit 1/2 Subject Application" available from the IT Office for the VCE Unit and return to the IT Office. You will also need to choose 4 reserve units, in case you can't get all of your preferred units.

If you intend to study more than one VCE Unit 1/2 Subject then:

- 1. Complete your selections online, including a full program WITHOUT the additional VCE units, and
- 2. Complete the "Additional VCE Unit 1/2 Subject Application" available from the IT Office for the additional VCE Units and return to the IT Office.
- It will be helpful if you decide which Senior Pathway you intend to follow either a VCE or a VCE-Vocational Major (VM) before making your choices.
- Order your preferences.
- Don't choose units based on what your friends choose.
- Your parents and teachers can advise you.
