Student:..... Pastoral Care Group:.....

Work through the steps inside this passport to:

- **Select your subject preferences**
- **Enter your preferred subjects online**
- **Complete “Accelerated Subject Application” for any Unit 3-4 subjects where required**

STEP 1: Circle the unit sequences that interest you...

Brauer College also accommodates students studying subjects via Distance Education to broaden their VCE program – please speak to Mr. Jackson for more information and to apply.

Students must complete the “Additional Unit 3/4 Subject Application” for any additional Unit 3 and 4 VCE Units and return to the IT Office.

What Senior School Certificate should I study - VCE or VCE-VM?

While it is possible to reach most goals from either certificate, or from a combined program, the VCE and VCE-VM each have a particular focus.

Generally, VCE will lead students to university courses or any work option.

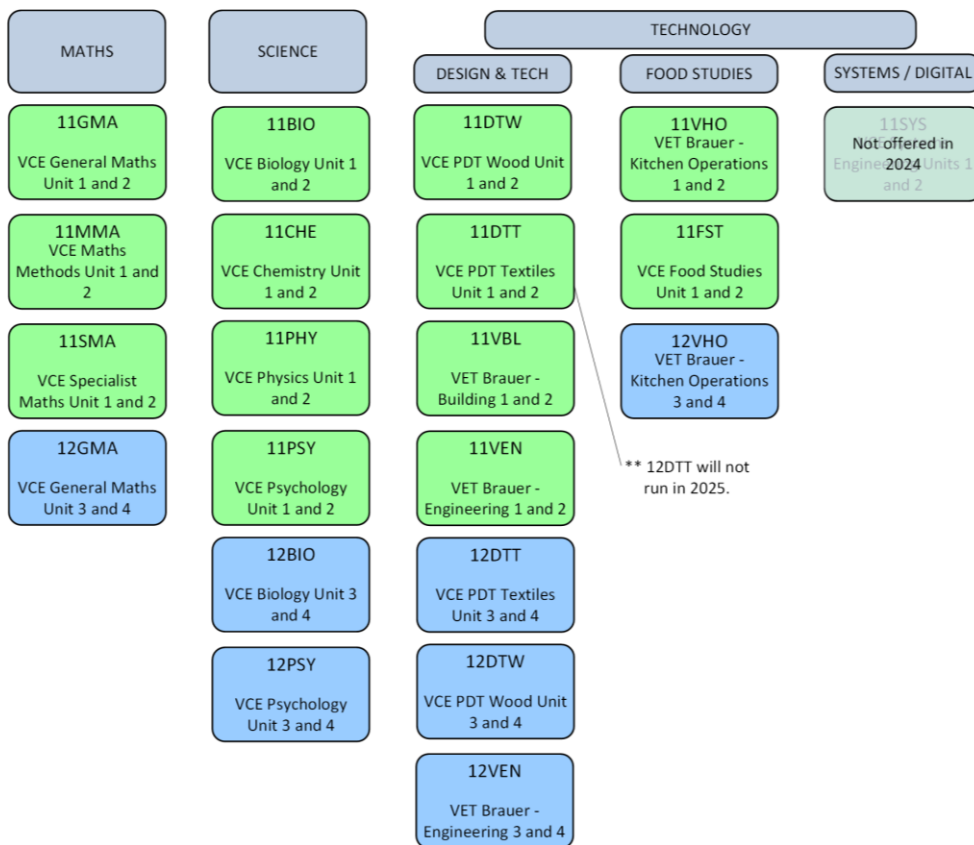

Generally, VCE-VM will lead students to some TAFE courses, apprenticeships, traineeships and employment.

If you intend to study a VCE-VM program, you will need the VCE-VM PLP Passport – see your Pastoral Care Leader or your Year Level Manager.

What should I choose to study?

Choose your subjects based on your further study or career aspirations. Refer to the VCE or VET requirements in the Senior Course Information booklet.

Seek counselling advice to ensure your course prepares you for your future studies or career.

More things you need to know:

Are you ready for Post-Compulsory study? These courses will certainly give you an advantage in getting jobs and entry to further study. However, they require a commitment to completing all work requirements and following all Brauer expectations.

If unsure – seek advice.

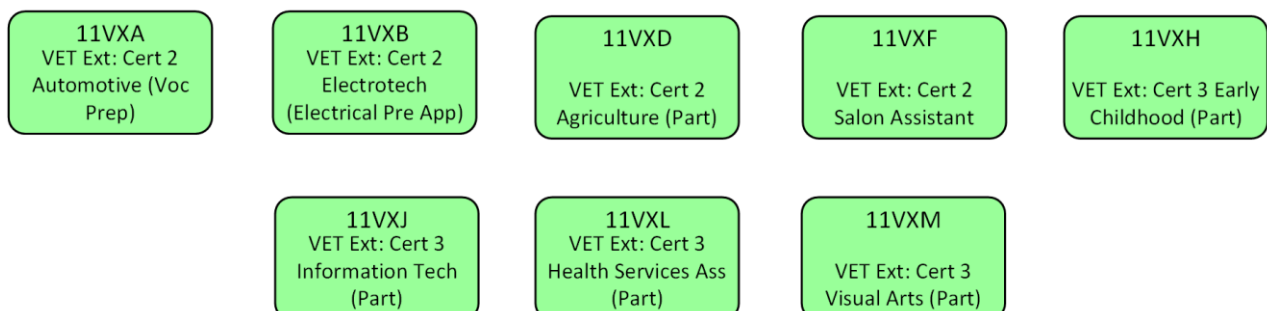

VCE with a VET subject

Students wishing to include an external VET study must:

- Indicate in their selections they wish to apply to South West Tafe
- Fill out the External VET Application form available from Mr Jackson by the closing date of selections.

EXTERNAL VET OPTIONS:

Families should note that all external VET subjects incur a \$150 up-front cost. This should be considered when making selections.

STEP 2: Check the rules and recommendations for selecting your VCE Program

Instructions to students

See your Year 10 teachers, Head of Faculty or KLA leader to find out more about each program. Approximate Unit Costs are also available online at:
